§ 268.6 Reporting of accounts receivable and sales under 120 days delayed payment terms (short-term credit).

(a) *General.* (1) Amounts payable to DoD Components for sales of Defense articles and services on terms which require payment of cash in advance of delivery/performance or within 60 days thereof will be classified as accounts receivable. Military Departments shall submit reports to the DSAA of foreign indebtedness related to those sales.

(2) Sales made by DoD Components under existing cases which provide for 120-day payment terms shall be classified as short-term credit sales. Similarly, those sales made after September 30, 1976, under special emergency appropriations which provide for payments 120 days after delivery of articles or services will also be classified as short-term credit sales. DoD Components shall submit reports to the DSAA of these short-term credit sales.

(3) Foreign indebtedness to DoD Components for logistical support, mission support costs, and other programs is payable upon presentation of the appropriate billing documents. Reports of foreign indebtedness related to these programs will be submitted to the DSAA.

§ 268.7 Collecting and reporting of foreign debts under long-term loans and debts.

The DSAA is responsible for administering FMS long-term loans and credit programs authorized by Section 23 of the Arms Export Control Act, and likewise is responsible for determining foreign indebtedness against these programs. Debts remaining uncollected 90 days after the due date will be referred to the State Department for diplomatic assistance to effect settlement.

§ 268.8 Flash report of major foreign debt arrearages.

Major foreign debt arrearages are monitored by the NAC. Therefore, periodically DSAA will request flash re-

For this purpose, a "major" foreign debt arrearage is any country program arrearage which involves the sum of \$250,000 or more. Flash reports will be submitted directly to DSAA by the local command in message form with information copies to the next higher command. The report will reflect any significant changes in major foreign debt arrearages from the quarterly foreign indebtedness reports submitted in accordance with § 268.6. Collections, information on increased indebtedness, problems encountered in unsuccessful collection attempts, or country circumstances which may adversely affect collections are examples of the information which should be included in the flash reports.
